

❁ ❁ Weight & Diabetes Management Programs ❁ ❁

					
Focus	Weight Loss + Weight Management	Weight Loss + Weight Management	Weight Loss + Weight Management	Weight Loss + Weight Management	Pre-Diabetes + Diabetes Management
Description	Simple, manageable measures you can easily integrate into your everyday life for long-term health benefits and lasting weight loss.	Retrain your brain and your body. Rediscover the pleasures of eating in a way that nourishes your body but not your waistline.	Evidence-based program from NC State that empowers you to live mindfully as you make choices about eating and activity.	In-person meetings combined with SmartPoints® tracking focused on fruits, veggies and lean protein. Includes 200+ zero Points® foods.	Puts you in charge of your eating decisions to stop restrictive dieting while curbing mindless and emotional eating for optimal blood sugar management.
